SUBJECT: Space Surveillance

3. It is recommended that the Board:

- a. Approve the changes in priorities in Paragraph 2, attached.**
- b. Note the collection/analysis capabilities available to partially satisfy these PNIOs.**
- c. Note the partial gaps that exist now and will continue to exist.**
- d. Note that, even where a capability may now exist, general improvement is required to decrease the time required for, and to increase the confidence in, our assessments of Soviet space operations.**
